

# DONRUETHAI (DONNA) WANCHATCHANKADEE

## PROFESSIONAL SUMMARY

I recently completed the Generation's Junior Web Development Bootcamp and I am now ready to use the skills I've learned to pursue a career in the field. My background in nursing has provided me with strong problem-solving skills, attention to detail, customer service skills, and the ability to work under pressure. In addition to my nursing experience, Generation's Junior Web Development Bootcamp has provided me with valuable technical skills and the opportunity to work on web development projects in a team setting. I am motivated to continue learning and growing in the field of web development as I pursue my passion.
